

Editorial Note

This issue of EJS journal contains a collection of selected articles from the 50th JAIIO. The articles published in this issue are expanded and revised versions of papers presented at the congress.

The Argentine Society of Informatics and Operational Research, SADIO, organizes annually the JAIIOs, Argentine Conference on Informatics, an international meeting that has been held since 1961. There papers are presented, research results and experiences in the field of Informatics on different topics are discussed, with the assistance of researchers, students, and professionals from Argentina and abroad.

On this occasion, the 50th JAIIO were co-organized with the Faculty of Engineering of the University of Buenos Aires, and were held from October 18 to 29, 2021 in virtual format due to the pandemic caused by covid-19. The general presidents were Rosita Wachenchauzer (FIUBA, SADIO), Yanina Bellini Saibene (INTA Anguil) and Mariano Beiró (CONICET - FIUBA).

The JAIIOs are organized as a set of separate symposia, each dedicated to a specific topic, lasting one or two days to allow the interaction of their participants. We express our special thanks to the presidents of the following JAIIO Symposia:

- SAHTI (Simposio Argentino de Historia, Tecnologías e Informática / Argentine Symposium on History, Technologies and Informatics)
- SID (Simposio Argentino de Informática y Derecho / Argentine Symposium on Informatics and Law)
- SIE (Simposio de Informática en el Estado/ Symposium on State Informatics)
- STS (Simposio Argentino sobre Tecnología y Sociedad / Argentine Symposium on Technology and Society)

Karina Bianculli (CEHIs-FH-UNMdP / CONICET-UNMdP), Nicolás Wolovick (FaMAF-UNC), Ariel Vercelli (INHUS - CONICET / UNMdP), Ernesto Liceda (GECSE, UNLP), Silvana Rica (Secretaría de Innovación Pública. JGM Nación Argentina), Eliseo Palacios (Subsecretaría de Gob. Digital, Pcia. de Bs As), Agustín Simer (Subsecretaría de Gob. Digital, Pcia de Bs As), Marcelo Petroff (UNRN, Argentina), Soledad Ayala (UNRaf, UNQ, UAI, UNR) y Ana Marotias (UBA, UNRaf, UNPAZ)

who collaborated with the selection and evaluation of the articles published in this edition of the EJS.

We hope that the published articles will be useful for the readers of this issue.
